JANAR 2012

The project is co-funded by the European Union,
Instrument for Pre-Accession Assistance.

The goals of the NAP

- The conservation and viability of sea turtles in Albanian seas
- To ensure that this endangered species and their habitats are fully protected under Albanian national law.

The project is co-funded by the European Union,
Instrument for Pre-Accession Assistance.

The objectives of the NAP

Objective 1. Sea turtle conservation is established as a national priority.

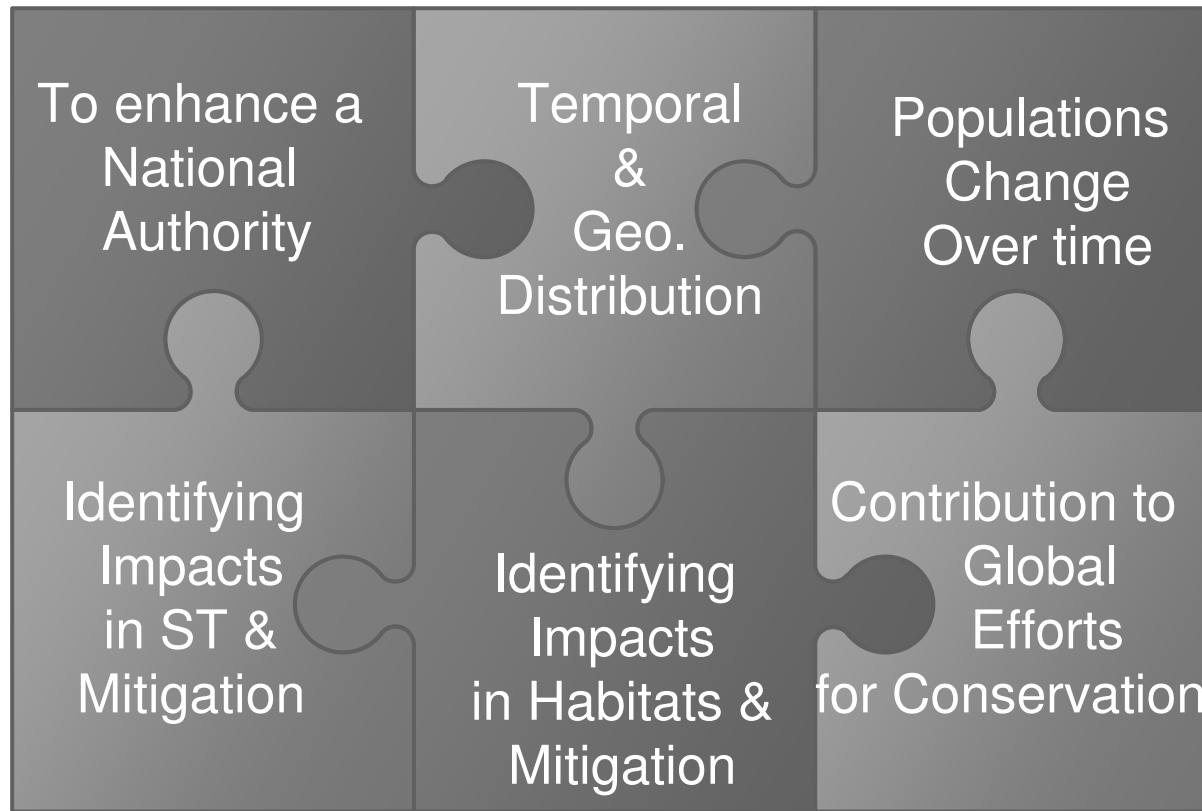

Objective 2. Monitoring of sea turtle population and habitats

Objective 3. Identification and mitigation of threats to sea turtles and their habitats

Objective 4. Identification of critical habitats, legal protection and establishment of a functional network of marine, coastal and estuarine protected areas

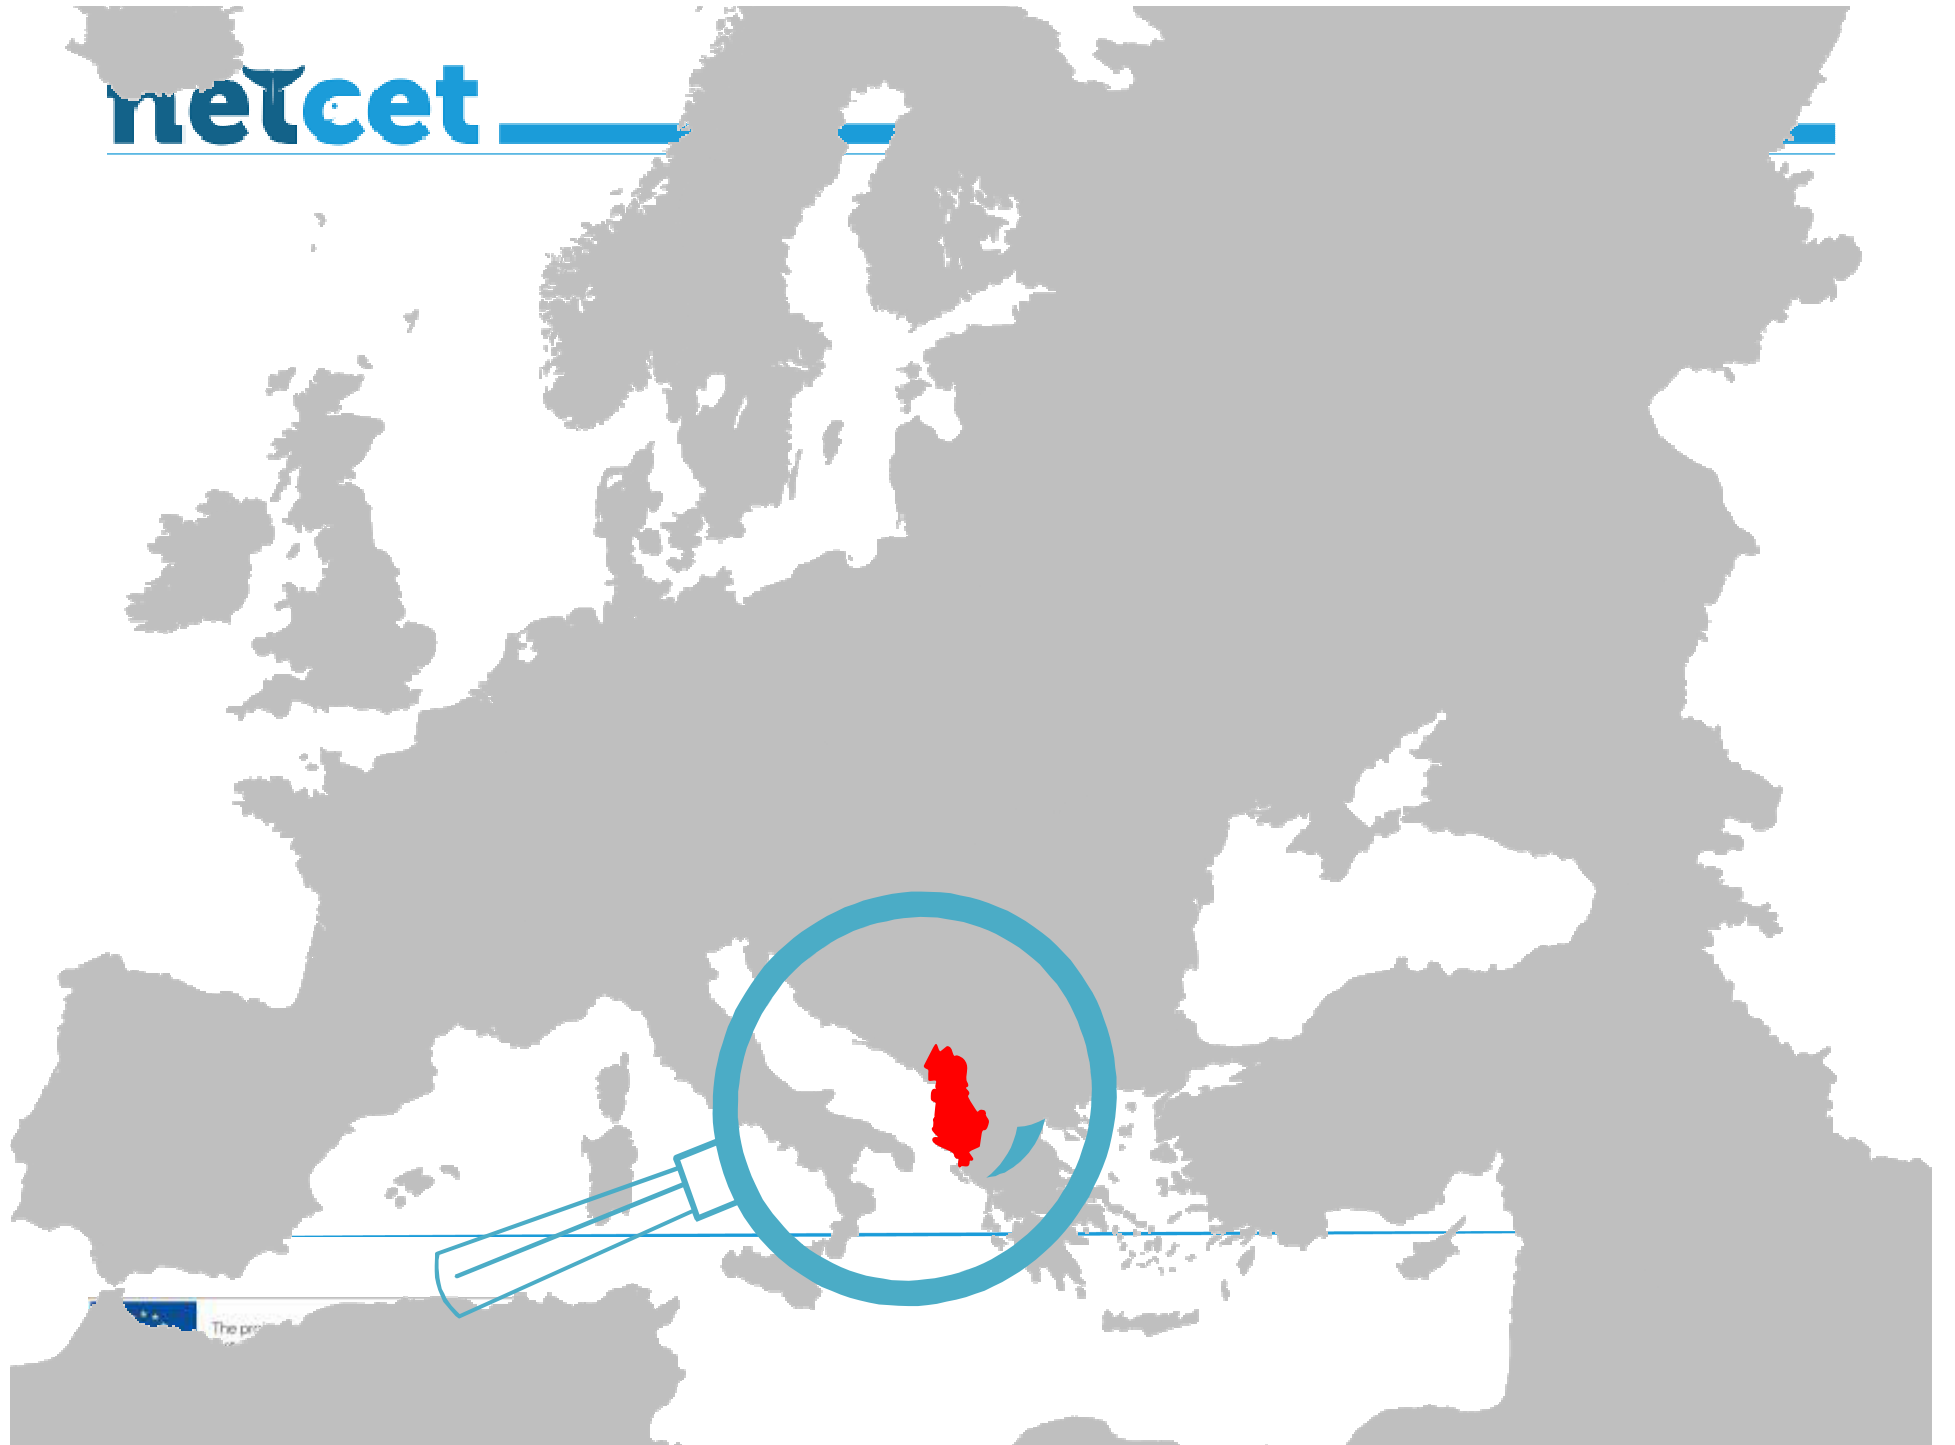

Specific aims
